Subject: Re: format of the delegations

Alexis I need the names of participants to side events

> Per your request, below is the most updated list for the U.S. delegation. The total number of people is 33, pending confirmation of the final number of drivers, who I understand also need to be registered as Delegate Blue. This list includes 4 security personnel, 5 representatives from Firms, and 2 representatives from Universities. Please let me know what additional information would be helpful at this time.
